

# JOVEN McLORD VALDEZ

## GRAPHIC DESIGNER

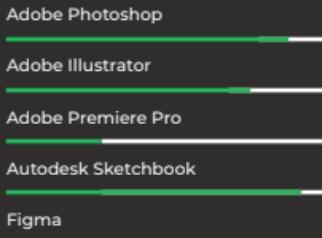

### ABOUT ME

I have gained valuable skills and recognition through my internships and participation in various graphic design contests. I possess proficiency in various design tools and software. These tools have been instrumental in bringing my creative visions to life and delivering high-quality designs. Beyond this, I am detail-oriented with a keen eye for aesthetics and a passion for creating visually compelling and informative designs. I stay updated on the latest design trends and technologies to enhance my skills further.
